Dear Sir:

Enclosed is form PTO-1449 listing references that are also enclosed. This Information Disclosure Statement is being filed before the mailing date of a final action under 37 C.F.R. § 1.113 and before the mailing date of a Notice of Allowance under § 1.311. A certification under 37 C.F.R. § 1.97(e) is set forth below that this information was first cited in a communication from a foreign Patent Office in a counterpart foreign application not more than 30 days prior to this paper. Thus, no fee is required as set forth below in 37 C.F.R. § 1.97(c).

A copy of the international search report recently received for the foreign counterpart to the above-listed application is also enclosed. Although Applicant disagrees with the assessment of this search report and does not concede that any of the cited references are or are not material prior art, the Authorized Officer considered U.S. Patent No. 6,282,546 to Gleichauf et al. and U.S. Patent No. 6,298,445 to Shostack et al. as documents of particular relevance to claims 52-56 and 58-65 of the above-listed application.

**Appl. No.** : 10/050,675  
**Filed** : 01/15/2001

The Authorized Officer further considered U.S. Patent No. 5,892,903 to Klaus and U.S. Patent No. 5,931,946 to Terada et al. to be not of particular relevance, but nonetheless references defining the general state of the art.

CERTIFICATION UNDER 37 C.F.R. § 1.97(e)(1)

I hereby certify that each item of information contained in this Statement was first cited in a communication from a foreign Patent Office in a counterpart foreign application not more than 30 days prior to the filing of this Information Disclosure Statement.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
